Fun for Movers Unit 41 I had a great birthday

Read the story about Julia's birthday.

It was my birthday last week. On Saturday, I invited six school friends and my cousin to my party. The party was at our house. The weather was brilliant. It was sunny but not too hot.

We played lots of games outside in the garden. Then, because we were thirsty, Mam made some lemonade and put some ice in it. We drank that and played some more games.

Dad came out to the garden with a big brown box. He told me to open it. Inside the box, there were some old clothes. We had lots of fun! My cousin dressed up in dad's old fishing boots and jacket. He put on a big yellow hat too. My friends dressed up too. I found some red trousers and a green jacket with white circles and put them on. Mam painted my nose red and round my eyes white. 'Wow! You're a great clown, now!', said my dad and smiled. 'Close your eyes, Julia!'

When I opened my eyes again, I saw a clown. She had a big red nose and orange curly hair. She asked me to come and stand next to her. She gave me three balls and taught me how to throw them. She made happy faces and sometimes sad faces. She sang lots of funny, silly songs and we sang them too. She looked at me and asked: 'Julia, you're a brilliant clown too!' I looked at her and said: 'I know you! You're Aunt Eva!'

One of Aunt Eva's hobbies is being a clown and going to the hospital to make the children there happy. She's very funny and clever too. And she made me and my friends very happy at the party!
