# INTRODUCTION

## About the booklet

**Guess What! Home Booklet** has interesting and fun activities, including cross-curricular topics (CLIL), designed to encourage children’s curiosity about the world, while they learn to communicate in English. It also provides opportunities for children to develop their social skills by exploring values and emotions, as well as the basic competences necessary in Primary Education, following the National Curriculum for the teaching of English in Spanish primary schools.

## The characters

In Levels 5 and 6, Jane and Harry will learn English with the children throughout the units while they develop life skills and will invite them to reflect on their own emotions in a Class Chat.

# LETTER TO THE FAMILY

Dear Family,

Welcome to **Guess What! Home Booklet**, the games booklet for you and your child to revise English in a fun way at home, and to show you what your child has learnt in class. The booklet is organised into nine different topics.

We invite you to take part in your child’s experience of learning English. You don’t need to have a good level of English to do this. It is your support and enthusiasm that will keep your child motivated.

You can find this letter translated into different languages and the answer key to the **Guess What! Home Booklet** here: [www.cambridge.es/guesswhat](http://www.cambridge.es/guesswhat)

We hope you and your child have fun in English with **Guess What! Home Booklet**!

## Common European Framework and Cambridge English

**Guess What! Home Booklet** has been written to coincide with the Common Reference Levels of the Common European Framework (CEF), and with the three levels of Cambridge English: Young Learners.

GUESS WHAT! LEVELS	COMMON REFERENCE LEVELS OF THE COMMON EUROPEAN FRAMEWORK (CEF)	CAMBRIDGE ENGLISH: YOUNG LEARNERS
1, 2 and 3	Towards Level A1	Cambridge English: Starters
4, 5 and part of 6	Level A1	Cambridge English: Movers
6	Towards Level A2	Cambridge English: Flyers

For further information, please see: [www.cambridgeenglish.org](http://www.cambridgeenglish.org)

Your child's English teacher

A different **study skill** is presented in every unit and highlighted for your child to know what templates he/she could use to learn.

This activity practises **vocabulary and grammar** through a different study strategy in every unit. This will help your child to **learn to learn**. You can ask your child to think of other subjects where this study skill template could be useful.

At the bottom of each page, you'll find the **Fun at home** section. It suggests simple ideas for you and your child to communicate in English.

The second page includes a **reading text** and a **comprehension activity** focusing on different text types that your child is supposed to be able to read throughout his/her Primary Education, and are linked to cross-curricular (CLIL) topics.

A different **reading strategy** is highlighted for your child to be aware of what he/she is learning.

The third page includes a **guided writing activity** for a different type of text that follows the model of the reading text.

The **text type** is highlighted.

Get Ready! boxes give **guided preparation steps** for your child to follow before writing.

## THE NATURAL WORLD

### THE BIG HEAT

Read the comic and put the summary in the correct order (1-4).

There is a magic stone hidden in the vent of the Black Volcano. It belongs to a museum so Emma and Daniel are on an adventure to find it.

This is the way to the volcano. Hurry up, Emma.

The volcano is active and we can see lava and rocks around.

Let's go through the crater. The volcano can erupt at any moment.

Ouch! Oh, no, it's my ankle. Go without me!

Daniel climbs down the vent of the volcano and gets the magic stone.

I've got the magic stone!

Now, it is time to go!

Daniel leaves the volcano but it suddenly starts erupting.

Hold tight, Daniel! Well done!

Thank you for saving my life! We've got the magic stone because we are a good team.

### CREATIVE WRITING WORKSHOP

Plan, write and draw and adventure comic story.

#### GET READY!

Think before you write:

- The type of story you want to write. ✓
- A title for your comic. ✓
- The characters. ✓
- The setting and where the story takes place. ✓
- The parts of the story: beginning, problem, end. ✓

### CLASS CHAT

Read and write when you felt relieved in the class chat.

Did you watch *The big heat* last night?

Yes, it was much better than the book! The volcano looked so real!

I felt so nervous for Emma, she hurt herself really badly. 😞

And Daniel was so quick. He got the magic stone in time. I felt so relieved! 😊

### FUN AT HOME

Choose an adventure film based on a book and watch it with your family. Was it a good ending? Did the hero achieve his/her goal?

### ARE YOU A FUN KID?

Read and tick.

Now I know...

- how to name natural features in a landscape.
- how to set a goal.
- how to write an adventure comic story.

### Writing tips

Start writing your comic when you have a solid outline for the whole story.

#### FUN AT HOME

Read your adventure comic story to your family. You can also act it out!

This activity works on **emotional competence**. Your child will be able to recognise different emotions with the help of Jane and Harry, who write their comments in a class chat where your child participates with a personal comment. Encourage your child to talk about each emotion after writing a comment and discuss positive ways to handle it.

This is a **self-evaluation activity**. Your child reads the **Now I know...** statements and ticks the box if that statement is true to him/her. Ensure your child values his/her own progress.

**Writing tips** help your child with suggestions to write each type of text.

## WELCOME TO BARCELONA

### ABOUT ME

My name is Francesc and I was born in Barcelona on 24th December 1996. I love art and my favourite artist is Joan Miró.

### LOOK FOR MY FAVOURITE MOSAICS BY MIRÓ

Joan Miró was born in Barcelona. I love his mosaics and these are my favourite ones! They are great!

### 1st Barcelona airport

This giant mosaic mural is at Barcelona airport. Joan Miró finished it with his friend Josep Llorens Artigas in 1970. It is made with ceramic tiles in bright colours.

### 2nd The Pla de l'Os Mosaic

This is near the Ramblas. It is a circular mosaic in black, white, blue, yellow and red that welcomes visitors arriving by sea. Come on, walk over it!

### 3rd The Woman and Bird Statue

This mosaic is at Joan Miró Park, near Barcelona Sants station. It is covered with yellow, red, green and blue ceramic tiles.

Please tell me about where you live and your favourite places!

## CLASS CHAT

### Compassion

Read and write a comment in the class chat.

Any ideas for the Barcelona Art Project? 😞

Hi, I am glad you found your passport! 😊 We can go to the Ramblas and walk over the circular mosaic.

Sorry, but I am scared of crowds and the Ramblas are so busy! 😞

But Ling, there's a Miró's signature in one of the tiles!

Ling, what about seeing the mosaic from the top of a building? Jane, I can take very cool photos of you from there! 😎

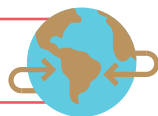

How can you feel compassion for Ling?

GRASSHOPPER

It is a sunny summer day. A worker ant is collecting food when she hears a voice:

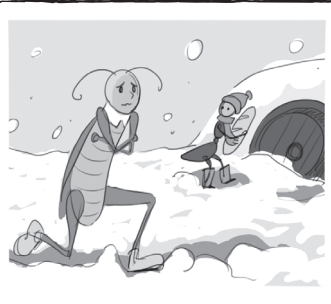

**'Why do you work so hard?'**

There is a grasshopper jumping around. The ant replies:

**'I am collecting food for the winter.'**

The grasshopper says laughing,

**'But it is summer now and there is time to collect food!'**

It is a cold winter day. The grasshopper is sad. He doesn't have any food. Then he sees the ant worker and asks

**'Can you give me some food?'**

The ant says,

**'You laughed at me in the summer and now you want food!'**

The grasshopper is ashamed so he says,

**'I am sorry. I am not going to do that again.'**

And the ant is kind and gives him some food.

**Prepare for future needs!**

Dear mum and dad,

How are you? I hope you are well and your holiday in France was fun!

Lucy's family hotel is great! It is a real castle and it has the original (lsawl) \_\_\_\_\_ and (worest) \_\_\_\_\_.

There is a big kitchen with an open (efir) \_\_\_\_\_. The restaurant has a big wooden table and at night they light (saldnec) \_\_\_\_\_ to have dinner, just like in the past! This is an amazing experience and it is one of the things that people like most about this place!

I think it is great staying at a hotel. I didn't have to make my bed, but I tidied my bedroom! And they didn't have to wash my clothes. I am taking them home!

Why don't we come here on holidays? It is a unique holiday experience!

I hope to see you soon!

Love

Jane

## CLASS CHAT

Surprise

Read and write a comment about a great place to stay for a weekend in the class chat.

We use exclamation marks (!) to show surprise. Circle the sentences that indicate surprise in the letter and in the chat.

Why don't we go to Lucy's castle hotel next weekend? It is amazing! It's a real castle! 🏰

Sounds good! 👍 . Or we can go to the caravan hotel 🚐 I went to last summer. It is so cool, really small but with everything you need!

What about a boat hotel? 🚤 You can go along the canals and you can drive it yourself. You have to try!

### LET'S GO WINDSURFING!

#### INTRODUCTION

We have 206 bones in our skeleton. We must look after them, especially when we do sport. We also need to keep muscles and joints strong. Work your muscles hard for at least 30 minutes every day to be ready to do your favourite sport.

#### DESCRIPTION

For windsurfing you must bend and stretch a lot so prepare your bones, muscles and joints before you practise it. Pay special attention to your knees and elbows.

#### TRAINING

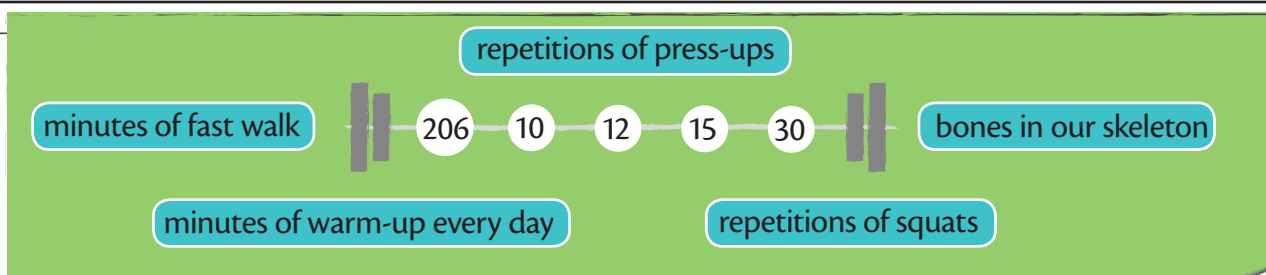

**1**  
**Fast walk – 10 minute warm-up:**  
This is necessary to protect all muscles and joints in your body before windsurfing.

**2**  
**Press-ups – 15 repetitions:**  
This is a very good exercise to make your elbows and arms strong.

**3**  
**Squats – 12 repetitions:**  
With this exercise you get strong knees and legs.
