1 Read and complete the questions and answers.Emma's Friday

On Fridays, we finish classes at lunchtime, so I usually go to the park with my friends in the afternoon. I have to call my mom's office when I get home at four o'clock. My older brother, Nico, finishes school at five o'clock. Then he goes to soccer club at five thirty. In the evening, we have to help Mom with the shopping, but we don't have to cook. We always have pasta on Friday nights, and Mom makes that. After dinner, Nico gets a movie from the video store, and I wash and dry the dishes. Then we watch the movie. At ten o'clock, I have to go to bed, but Nico and Mom talk in the living room.
