2 Read the text and the questions in activity 1. Circle the correct answers for Kevin.

It's Monday afternoon. Kevin's going home and listening to music on his MP4 player. He didn't listen to any music last weekend because his headphones were in his desk at school! On Saturday morning, he was at the supermarket with his mom. They always make a shopping list on his tablet so they don't forget anything. In the evening, he watched a movie, but he didn't use his laptop. He watched the movie on television with his sister. On Sunday morning, he was at movie club. They're making a cool movie about aliens! In the afternoon, he played on his games console with his sister and texted his friends. Tomorrow he has an English test, so he studied this morning at school.
