Mila and her friends in the playground

My school is called Red Hill Primary School. It's very big! It's in Scotland, in the UK.

I walk to school with my dad. School starts at 9.00. At school I see my friends. We are seven years old.

In my blue school bag there are pencils, pens, books, paper and a rubber.

In the morning we learn about numbers. We play in the playground. After lunch, we read stories.

School finishes at 3.00. Mum and I play in the park – that's my favourite part of the day!
