1 Read and complete the questions and answers.Emma's Friday

On Fridays we finish lessons at lunchtime so I usually go to the park with my friends in the afternoon. I have to phone my mum's office when I get home at four o'clock. My older brother Nico finishes school at five o'clock. Then he goes to football club at half past five. In the evening we have to help mum with the shopping but we don't have to cook. We always have pasta on Friday nights and Mum makes that. After dinner Nico gets a film from the video shop and I wash and dry the dishes. Then we watch the film. At ten o'clock I have to go to bed but Nico and mum chat in the living room.
