**Instructions**  
**Play the *MUST AND MUSTN'T* game.**  
 Play in groups of 3 or 4.  
 You need a board, a dice, a coin. You each need a counter.  
 Throw the dice and move your counter. When you land on a picture square, throw the coin.  
 Heads = make sentences with *We must* ...  
 Tails = make sentences with *We mustn't* ...  
 For example (land on 'at school', coin heads):  
*We must listen to the teacher.*  
*We must do our homework.*  
*We must be nice.*

How many sentences can you make? Score a point for each one.  
**Stop at FINISH and count your sentences.**
