# 1 Look, read and write the countries.

## Welcome to London's international restaurant.

We've got rabbit stew from Russia and chicken curry from India. There are kebabs from Greece and Greek salad too. If you like rice, we've got paella from Spain, rice and beans from Peru and sushi from Japan.

We've got dumplings from China and noodles from Thailand too.

Do you like spicy food? Try our amazing tacos from Mexico.

And don't forget we're in the UK, so of course we've got fish and chips! 😊
