Storms

When people like farmers see very dark clouds in the sky, they know it's

(1) going (goes / go / going) to rain.

Sometimes, when it begins to (2) _____ (rain / rains / raining)

and the weather is very windy too, they know a storm may come.

Storms can be dangerous. Last summer, my friend and his family were

(3) _____ (sails / sailing / sailed) their boat when a bad storm

(4) _____ (started / start / is starting) near the lake. They had to

phone for help because they couldn't sail home! The wind was too strong! Luckily,

a helicopter quickly arrived to take them home. They (5) _____

(was / is / were) waiting near the lake when a photographer (6) _____

(arrived / arriving / arrives). It was very exciting.

Next year, they're going to Canada to see some icebergs! But did you know?

We don't only have rain storms. In different parts of the world, there

(7) _____ (is / were / are) snow storms or sand storms.

You can find out about different kinds of storms on the Internet.
